DESCRIPTION: This course is designed to adequately train DOD pest control personnel who apply pesticides in accordance with the DOD Plan for Certification of Pest Applications, DOD 4150.7-M. Successful course completion is a prerequisite to DOD recertification by respective service Pest Management Professionals. Depending upon job classification, personnel will be trained in either all, or a portion of, the following categories of pest control:

Ornamental and Turf Pest Control - DOD Category 3
Aquatic Pest Control - DOD Category 5
Right-of-Way Pest Control - DOD Category 6
Industrial, Institutional, Structural, and Health Related Pest Control - DOD Category 7
Public Health Pest Control - DOD Category 8

ELIGIBILITY: This course is open to DOD, Department of the Interior, Veterans Administration, Coast Guard, and General Services Administration military and civilian personnel. Individuals desiring enrollment should have successfully completed an Armed Forces Pest Management Board approved certification-training course. Recertification should be accomplished by the last day of the month in which the original certification expires. Individuals whose certification expires will not be eligible for training unless exception is made by the appropriate pest management professional.
